All Applicants who are being considered for employment must participate in the Pre-Camp Staff Training, which will be paid accordingly. Participation in the Pre-Camp Training does not guarantee employment since enrollment of campers determines the number of counselors to be employed. Those who are subsequently hired must submit before the first day of camp medical certificate with Tuberculin and VDRL results, Certificate of Good Conduct from the Police Department and clearance of Sexual Offenders and Abuse of Minors according with Law 300. Applicant will sign agreement, when read and discussed the "Camp Staff Manual Rules and Regulations". Applicant agrees on the above terms and acknowledges that all the above is true.
